++ Valid for broadcast between 1800 and 0600

Headline:
Turning dry overnight. Sunny spells and showers on Thursday.

This Evening and Tonight:
Any remaining showers quickly ease through the evening as cloud cover breaks up, allowing some spells of late sunshine. Mostly dry overnight, with clear spells and light winds possibly allowing the odd fog patch to form inland. Minimum temperature 9 deg C (48 deg F).

Thursday:
A day of sunny spells and scattered showers. Similar to Wednesday, the showers could be heavy at times, particularly towards the east, but less frequent. Feeling warm in any sun. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Sunny spells and a few showers on Friday. Frequent showers by day over the weekend, some of which heavy and possibly thundery. Mostly dry nights, with occasional fog patches possible.
